BOARDING REQUIREMENTS

Primchurch Kennels takes every precaution to prevent the spread of infectious diseases, but it is the owner's responsibility and duty to maintain vaccinations. If we note any fleas or worms whilst your dog is in kennels, please note we will treat them, and any the cost will be added to your final bill. Dogs' behaviour in kennels is not the same as at home they may urinate and lie in it or bark continually at the neighbouring dogs, every effort is made to reduce any stress, but your dog may smell of kennels on their return. All dogs will be walked twice daily unless agreed or instructions from owner at time of drop off.

If for any reason your dog requires urgent medical attention whilst boarding, we will in the 1st instance try to contact your vet if this is not possible or the issue demands immediate attention or for the dog's welfare, we will use our vets, and any cost incurred will be added to your final bill.

All boarding fees must be paid in full upon collection.

I/we understand all the above requirements for boarding and accept that our animal(s) is/are boarded at our own risk.

Dogs can ONLY be dropped off or collected between 8am – 10am any day and 4pm-5:30pm Monday to Saturday. A 20% deposit must be paid with this form to secure place and the balance paid on collection.
